

Fountain of Love

Honoring Their Past - Securing Their Future

What is the Fountain of Love?

The Fountain of Love was created to be an ever-flowing source of funds to provide financial assistance to elders living in a Methodist Home.

What does the Fountain of Love do?

Provides security and assurance to Methodist Homes elders who do not have sufficient income to pay for their care.

How is the Fountain of Love funded?

By donations, including the Fountain of Love offering, memorials, bequests, and church gifts.

What difference does the Fountain of Love make?

In its 50-year history, **no elder has ever been asked to leave** a Methodist Home due to inability to pay.

What families are saying about the Fountain of Love...

"My mother was a resident at Fair Haven for seven years and did not require any assistance. However, my aunt (her sister) has been a resident in Independent Living, Assisted Living and SCALF [Specialty Care]. Her funds ran low over time and the Fountain of Love allowed her to remain there... The Fountain of Love means a great deal to our family."

"Thank you for the assistance to my mother. At the age of 95 we have run out of her remaining funds. As still working 'children' we are truly blessed to have the Fountain of Love's help."

"My wife and I would like to take this opportunity to thank you and the Board for accepting Mother into the Fountain of Love Program. I'm so glad that we have found a Christian Home for Mother."

"[The] Fountain of Love is a blessing to us. My Mother would not have been able to continue to reside at Fair Haven without it. Thank you."

"I received your 'Life Changing' letter with a sigh of relief, total joy, and so much appreciation... My mother, a lifelong Methodist, will also be forever grateful."

Please support the Fountain of Love and be a blessing to elders in need.
