The Fountain of Love

The Fountain of Love Fund was created to be an ever-flowing source of money to help individuals in the Methodist Homes whose own finances have been exhausted. This provides security and assurance to individuals who do not have sufficient income to pay for their care. More than \$1 million is given each year to needy residents. No resident has ever been asked to leave due to inability to pay.

Who is eligible for Fountain of Love assistance?

Any resident of the Methodist Homes of Alabama and Northwest Florida whose assets and monthly income are not adequate to cover their monthly care charges and expenses.

How are the funds administered?

Residents needing assistance submit an annual application detailing their current assets, income and expenses. Once eligibility and need are determined, assistance amounts are applied directly to each qualifying resident account.

How is the Fountain of Love funded?

By gifts, including conference apportionments, Advance Specials, memorials, foundations, Sunday School Classes, United Methodist Women, churches that hold special offerings, wills & bequests, etc.

Fountain of Love Program available for residents of Fair Haven (Birmingham), Wesley Manor (Dothan), Wesley Gardens (Montgomery), Mathison Retirement Center (Panama City), and Wesley Haven Villa (Pensacola).
